Bio

Hello! I am Satish Kumar, a first-year B.Tech student at VIT Bhopal University.

I am currently exploring the field of Data Science and Machine Learning. I have a basic understanding of Python and I am actively working on improving my problem-solving and analytical skills.

I enjoy learning new technologies and applying them to real-world problems. My goal is to build strong fundamentals in programming and gradually move towards advanced concepts in AI and Data Science.

I have started practicing coding on platforms like HackerRank and using tools like GitHub, Google Workspace, and Canva as part of my digital learning journey.

I am here on Kaggle to learn from the community, explore datasets, participate in competitions, and improve my skills step by step.

👋 Hi, I'm Satish Kumar

🎓 B.Tech Student at VIT Bhopal University 📚 Passionate about learning technology and building my skills step by step 🚀 Currently exploring programming, problem-solving, and digital tools

About Me

- 🌱 I am currently in my first year of B.Tech CSE (AI & ML)
- 💡 Interested in coding, software development, and new technologies
- 🎯 My goal is to improve my skills and become a successful software developer
- 📖 I believe in continuous learning and self-improvement

🔧 Skills (Beginner Level)

- Programming: Python (Basics)
- Tools: GitHub, Canva, Google Workspace
- Concepts: Problem Solving, Basic Data Structures

📌 Current Focus

- Learning Python and improving coding skills
- Practicing problems on platforms like HackerRank
- Building small projects to gain experience

🌟 Fun Fact

I am just getting started in my tech journey and excited to learn something new every day!

Resources

Education

VIT Bhopal University

Bachelor of Technology - BTech, Artificial Intelligence and machine learnig

Sep 2025 - Jun 2029

Activities and societies: 🏆 School Captain (Leadership Experience):

- Led student teams and represented the student body in school activities.
- Coordinated events,competitions and assemblies with teachers and management.
- Developed strong leadership,communication and decision-making skills.

🏆 Sports & Team Activities :

- Love to play CRICKET 🏏 AND FOOTBALL ⚽ .
- Strong believer in team spirit, collaboration, and perseverance.
- Developed qualities like leadership, resilience, and performance under pressure through sports.

🎓 B.Tech Student – CSE (AI & ML)

VIT Bhopal University

2025 – Present

- Pursuing B.Tech in Computer Science with specialization in Artificial Intelligence and Machine Learning.
- Built strong foundations in Python programming and Database Management Systems (DBMS)
- Continuously exploring new technologies in AI, ML, and software development.
- Working on improving problem-solving, logical thinking, and coding efficiency.

💻 Programming & Technical Learning (Self-Driven Experience):

- Completed practical learning in Python, including data structures, functions, and basic application development.
- Gained knowledge of DBMS concepts such as SQL queries, normalization, ER models, and database design.
- Currently expanding skills in advanced programming, AI concepts, and machine learning tools.
- Regularly practice coding to strengthen analytical thinking.

🎓 School Academics:

School Education (Class X & XII)

- Board: [CBSE]
- Score: 91% in both Class X & Class XII

THANK

YOU!!!
